January 2018

## National Honor Society - Can Drive

Every year, the Central Springs National Honor Society organizes and hosts the Annual Can Drive for the whole Central Springs School District, grades K-12. The students, and some faculty, can participate in a friendly competition between classes within each school, Ex. high school, middle school, intermediate and elementary. Each school winners gets a party! In the past the food and nonperishable food items go to local food banks such as the Worth County Manna Food Bank in Northwood, Lisa Arian's church has a food bank in Clear Lake, and the Hawkeye Food Bank in Mason City. This year we had an opportunity where the National Honor Society partnered with William Bird, a 2014 Central Springs graduate, who works for the *Friends of the Family*, an nonprofit organization located in Waverly, Iowa. *Friends of the Family* is an organization that helps with victims of sexual assaulted, domestic violence, human trafficking, and homelessness. The organization has a domestic violence shelter so the hygiene products that were donated will be used for their cause to help in transition for the victims.

From the local food banks, Friends of the Family, and the Central Springs National Honor Society, we want to say a HUGE thank you to the Central Spring and North Iowa Community for donating food and nonperishable food items. This year was the biggest year for donations! The Hawkeye Food Bank weighed about 2,241 pounds! This amount does not include the hygiene products that were donated to the Friends of the Family, which had a FULL carload!
